2014 Term 4 Week 4

Many thanks to Tumut Shire for bringing the Recycling Show, The King and Queen of Green, to Tumut. All the students enjoyed learning about the 3 R’s, Recycle, Reuse and Reduce, in a fun way. Mrs Pearce said the show was certainly very informative and everyone learned more about these particular topics. National Recycling Week is coming up in a couple of weeks (10th to 14th November for us) and the students will be undertaking more activities then. Thanks also to Mrs Pearce for providing transport for both shows.

I have seen the proofs for the school photos taken last Monday and the quality is as good as I had expected.

This Friday is the 31st October which is Halloween. Miss Gordon has asked if she could have a Halloween theme day on Friday. The students are invited to dress up if they wish and there will be special activities during the day. There may even be some treats (no tricks allowed).

My director, Mr Jim Roworth, will be visiting tomorrow morning to complete my PARS schedule for this year. I am looking forward to sharing with him the literacy progress of our students in particular.

Jodie is on leave today which is why the newsletter is very basic!

Enjoy your week,

Jen
