Principals Message from my desk

2014 Term 4 Week 10

This will be a very short newsletter as we hope to see you all at our Presentation tomorrow night. The Presentation is going to be in the new building as it will be unaffected by weather there!

Yes! We have the connected classroom up and running again. I am very appreciative of Steven Wordsworth, the head of IT in Wagga, for making time to come and install the new projector last Wednesday. You don’t realise just how useful something is until you no longer have it!

Our practical session on fundamental movement skills with Alex was well received by our students. It was amazing to see what a difference a slight correction to how some students were performing a vertical jump made to their outcomes.

Because this is our last newsletter for the year I would like to take the opportunity to personally thank you all for your support over the year. To those students who are leaving us for a bigger sea, we wish you well and hope that your educational journey is both stimulating and fruitful.

Remember to pay for swim camp this week if you haven’t already.

Enjoy your week,

Jen

Thought of the Week

“Christmas is love with all the trimmings”

Fruit Break

Thank you for sending in some fruit each day, the kids take 10 minutes to have a quick snack mid-morning to improve concentration and the kids really enjoy it.
**Coming Events**
