**Principals Message from my desk**

Thank you to those parents/caregivers who have returned the nine day survey forms. If you haven't returned these can you please do so by Monday so the results can be discussed at the P & C meeting. It is vitally important that we have input from all families on this matter.

Plans are well in place for the Nangus Sports' Camp tomorrow and Friday and Mrs Annetts has contingency plans in place if the weather turns somewhat wet as it is predicted to do. Of course it is a strong possibility that the rain will be as fickle as it always is and completely miss Nangus School. We live in hope!

Our students are going to look extremely smart at camp in their new sports' tracksuits and caps which the school has purchased for them. I hope that you all appreciate the gift you have been given and know that you will look after them well so they last. We have erred a little on the large side so the tracksuits will last the students for a while.

I am somewhat disappointed to be missing this camp with other commitments but know that the children will have a great time with Mrs Pearce, Mrs Guldbransen and Mrs Stewart (tomorrow). I look forward to hearing all about their experiences next week.

A reminder that The Life Education Van will be here on Monday 7th April.

Next Tuesday afternoon we have our senior boys participating in Rugby League Highlands Zone trials and we wish Kajika, Thomas and William good luck at this trial.

Trent Barrett has been rescheduled for next Thursday, hopefully the weather will be fine next week!

Have a great week,

Jen

**SURVEY RETURNS**

Please return your Nine Day Survey forms on Monday please. At the moment there have only been two families that have returned forms. As this involves the future of your children’s’ school please take the time out and fill in the form and return to us on Monday. Thank you.

**LIFE EDUCATION VAN**

Healthy Harold will be visiting our school on Monday 7th April.

FOR A SAFER, SMARTER LIFE.

Please return your permission notes if not already done so.

**P & C FUNDRAISER REMINDER**

Order returns have been extended to Monday 7th April.
YOU MUST RETURN YOUR ORDER THEN

**HABIT OF THE WEEK**

‘Working with others’
We will be living this habit at Sports’ Camp.
NANGUS CAMP

Due to the possibility of wet weather all students and staff will now be sleeping in the Nangus Hall. There will be NO tents needed at all.

As sleeping arrangements have changed students will need to have their lunch and recess for Thursday packed in a separate bag.

Please remember to label your child's items clearly and send a warm jacket with them.

Cooking

This week the students had fun cooking Spaghetti Bolognese and Baked Peaches with Cornflake Topping.
WE LOVE GUITAR LESSONS

Nutrition Snippet

The simplest way
to get your kids loving Fruit & Veg.

Eating plenty of fruit and veg can help keep your children healthy, but sometimes it's hard to get them to eat enough. Children often copy their parents, so our first tip is to make sure you eat enough too!

Other tips are:

- **Put your kids in charge.** Let them choose and wash fruit and veg for their lunch box; if they're able to, let them peel, cut or grate it.
- **Keep it interesting.** Cut fruit and veg into a variety of small shapes so it's easier and fun to eat.
- **Make ready-to-eat snacks.** Keep cut fruit and veg in the fridge for the kids to grab and eat with hummus or yoghurt.
