Principal’s Message from my desk

A very busy term is almost at an end. I believe we have had a very successful start to the school year. The students have had the opportunity to participate in a number of excellent excursions, sporting events and new programs at school. I am impressed by the progress they have made in guitar lessons.

The Nangus Sports’ camp last week was a great success in spite of the inclement weather. Mrs Pearce has reported to me that the behaviour of our students was fabulous over the two days. Well done everyone and a huge vote of thanks to Mrs Pearce and Mrs Guldbransen who stayed overnight with the students and Mrs Stewart who helped out on Thursday.

Yesterday William, Kajika and Thomas tried out for Highlands Zone Rugby League teams (in very warm weather) and after a rigorous selection process which saw all boys tired, I am delighted to be able to announce that Thomas has been selected in the 11’s team and Kajika has been selected in the 12’s team. Given that there were close to 40 boys trying out in each age group, to be one of the 16 selected, is a super achievement.

The boys will be travelling to Leeton on the 2nd May to participate in the Riverina trials. Congratulations Kajika and Thomas, I am sure that you will represent us with distinction.

Hopefully Seth, Mitchell and Makayla will be participating in the Trent Barrett Carnival tomorrow. Good luck to them.

Everyone else will be traveling up to Bongongo PS to participate in a crafty lantern making day, making lanterns to be used on the float taking part in the Festival of the Falling Leaf parade. The lanterns that the students make will be returned to them to be reused at the Lanterns on the lagoon festival later in the year.

Plans are well underway for the Governor Professor Marie Bashir’s visit on the 27th May. I would urge as many of you as possible to join us for morning tea on this day to meet this remarkable woman, who is an outstanding role model for all young people.

Planning is also well underway for the Zone Cross Country to be held at the Gundagai Racecourse on the 22nd May. This is when we will need many hands to help with the
