**Principals Message from my desk**

Don’t forget that guitar lessons commence tomorrow. I am looking forward to seeing the students’ progress this term. I have again allocated school funds to pay for this program but will obviously reassess this at the end of this term.

Many thanks to the parents/caregivers who have returned the children’s tennis permission notes and money so promptly. Now, all we can wish for is fine and not too cold weather on Wednesdays.

A huge congratulation to Kajika Berg who was selected in the Riverina PSSA Open Rugby League team on Friday. Kajika will be travelling to Kingscliff from the 16th – 19th June to participate in the NSW State Carnival. Highlands Zone has had a great year with 7 students selected in the 11 Years team and 7 students selected in the Open team. Interestingly, 6 of the open team, including Kajika, play for the Gundagai Tigers Under 12’s team. I am sure that they will all enjoy the June weather at Kingscliff, which is close to the NSW/ Queensland border.

**We have a change of date for the Small Schools’ Athletics Carnival which will be held on Thursday 29th June. Although I did not ask for any change this will suit us much better, being after the Governor’s visit!**

On Friday Makayla and Seth helped me do a ‘letter box drop’ around Brungle when we placed flyers inviting the Brungle Community to the morning tea with the Governor. This seemed the best way to get news out to the local community and I had immediate feedback from one local couple who, although being able to attend on the day, thought it was a great idea.

Official invitations for the visit were posted on Wednesday and we have had some acceptances already.

I am thanking you all in anticipation of your involvement in the Small Schools’ Cross Country on Friday; knowing that it is a ‘closed Friday, it is pleasing to see the anticipated participation of the great majority of our students.

Enjoy your week,

Jen
