Principals Message from my desk
Term 2 Week 4

Congratulations to the students in Year 3 and Year 5 who participated in the NAPLAN testing program last week. They all demonstrated application in attempting all the tasks presented. Participating in four tests over three days was a daunting prospect and I was very pleased with the way in which they coped.

On Wednesday this week myself, Steve Bellchambers and Rose McCormick (SAM from Adelong PS) will be interviewing applicants for the School Administrative Manager Position. The calibre of the applicants is very pleasing.

On Thursday everyone will be at the Cross Country in Gundagai. Those students who are not competing will be assigned tasks to assist in the running of the carnival.

We have over sixty people coming for morning tea with the Governor next week. I am especially pleased that our mailbox drop in Brungle has been successful with several community members accept our invitation. Any donations of cakes, slices or sandwiches for our morning tea for the Governor would be much appreciated.

These are a very busy couple of weeks and need everyone at school to cooperate to achieve success. The grounds of the school are looking a picture as we have had a massive clean up of most areas. The students are learning how to conduct school tours and their item was almost polished again this morning. I really appreciated having the senior students at school before they went to Touch Football Trials this morning. They are great leaders for our younger students.

Enjoy your week,
Jen

Habit of the Week

The expert in anything was once a beginner.

Please don’t forget about sending fruit to share every day!

We have a short break at 10:00am for students to snack on fruit, this aids in concentration and prevents hunger.

**Cross Country**

At the Cross Country this Thursday 22\(^{nd}\) May Kelly Sephton, on behalf of the P & C, has organised to be running the canteen on the day. If you could spare any time at all to help her throughout the day, even for 1 hour this would great. Please Phone Kelly on: 0405 957 322 if you are available to help. Also if all parents could supply a plate of food for the canteen it would certainly help to share the workload.

**Cooking**

This Wednesday the kids will be cooking a delicious Beef stew with mashed potatoes with Mrs Pearce and Mrs Guldbransen.
