Principals Message from my desk
2014 Term 2 Week 6

What a fantastic day we had last Tuesday. Her Excellency, Professor Marie Bashir, The Governor of NSW, was most impressed with our school and the students. She was keenly interested in the work the students have done and the knowledge that they were able to share with her. Every student was a worthy ambassador for the school and we were extremely proud of all of them. I would like to give a huge vote of thanks to all of the staff as well as the P & C for their marvellous efforts in catering for just over a hundred visitors, certainly more than I had imagined. The Governor has invited the students to lunch with her at Government House in Sydney before she retires at the end of September and we will look into making this happen this week.

Congratulations to Thomas, Mitchell, Charlie, Jade & Seth who represented us well at the Small Schools’ Athletics Carnival in Gundagai. I would also like to make special mention of William, who was injured so couldn’t compete, but came to the carnival regardless and was a fabulous helper for Mrs Pearce at the Long Jump. Mrs Pearce said she couldn’t have managed without him.

This Friday is the Zone Athletics Carnival in Tumut. I know it is our closed Friday, but I was unable to get the date altered. I am sending home notes today where I would like you to indicate whether your child(ren) will be competing. I am prepared to accompany the children to this carnival.

The children will be having a double session of guitar tomorrow to make up for last week.

I am resending home the 9 day fortnight survey today. Mr Jim Roworth, our Director of Public Schools, has to make a recommendation to the Secretary, Michelle Bruniges in regard to this matter by the end of this term at the latest. The two replies we received to the survey are not enough for a decision to be made to maintain the nine day fortnight as it stands at present.

Enjoy your week,
Jen

Her excellency professor Marie Bashir Governor of N.S.W came to visit our school. We said tali to her in wiradjuri, we did a dance for her and to her on a school tour, we showed her the canoe trip. The girls area, some trees and then we showed her the boys area and then we went in to the camp site and then we went to the dreaming room. Then we gave her some gifts and the driver opened the door and she hopped in the car and then she hopped back out and hopped back in and she had a great day.
