Principals Message from my desk

Welcome to Mickaya Zagar and her family. Mickaya is in Year 1 and has come from Kalgoorlie in Western Australia. Mickaya's sister, Shadae, will start transition after the holidays and will be in Kindergarten next year.

From all accounts the excursion to Mt Selwyn was awesome last Thursday. I have really enjoyed reading the wonderful reports the students wrote on Friday as well as the stories they have had to tell me today. The excursion was only possible because of the magnificent contribution from Mrs Pearce and Mrs Guldbransen, who both went above and beyond the call of duty, to ensure that this excursion was able to be undertaken. Mrs Pearce has told me that the students' behaviour could not be faulted, high praise indeed.

It is a shame that outstanding behaviour did not manage to continue until Friday afternoon, with everyone being rather tired after lunch and having to have quiet, settling time. I have spoken about speaking nicely to everyone again this morning.

Whilst the rest of the school were enjoying the snow I was spending time, along with many other school leaders, in looking at the new school improvement planning process, community consultation and formulating a new school vision statement and strategic directions for our school. There will be a lot of consultation with students, parents/caregivers, teaching staff and non-teaching staff and possibly other agencies as well before the document is finalised. I am anticipating using a block of time when Miss Gordon is here after the holidays to undertake the majority of the planning process.

Enjoy your week,
Jen

Ski Trip

Last Thursday we had a wonderful day at Mt Selwyn with Mrs Pearce and Mrs Guldbransen.

On Thursday Brungle School went to the snow. We went to hire some clothes and gear. We went to ski with our teacher. He taught us to ski. I went to get on the high chair I got off, and I went down the hill again. I had fun. I skied with Makayla and Prue. I had a lovely day.

On Thursday Brungle P.S went to Mount Selwyn for a ski in the snow and Kajika, Charlie, Mitchell and I travelled in Mrs Guldbransen’s car and when we got there we put our schoolbags in the eating area of the ski resort.

Then we went and got our boots and skis and started skiing. Our Teacher’s name was Elliott and we all had fun and I fell over a lot and Elliott said, “The more times you fall off the skis the better you ski,”.

I loved it and I want to go next year!!!

The simplest way

...to inspire a healthy breakfast

A healthy breakfast improves energy levels, alertness and concentration. It’s also a good way to get a serve of fruit + veg in.

Here are some quick winter warming breakfast ideas:

- Sliced bananas or avocado make a yummy addition to toast
- Chop and add left-over vegies to an omelette or savoury pancake
- Add fresh or canned fruit to porridge
- Top a wholemeal muffin with cooked tomato, mushrooms, baked beans or creamed corn
